## VALUES

## OUR SCHOOL

ILC Preschool is a Christian school offering classes for young children. We are a ministry that helps children develop, spiritually, physically, socially and emotionally in preparation for continuing education. We encourage the development of self-discipline, a good self image, curiosity and enthusiasm for learning. We feel that the education of children requires cooperation and communication between the school and family.

## PRESCHOOL CLASSES

Our Preschool program accepts children ages three through five. However, your child must turn three on or before August 31st and be completely toilet trained for our three day/week program and age four on or before August 31 to be eligible for our kindergarten ready programs. All of our classes accept ongoing registration throughout the year. Our program starts in September and runs through the second week in June.

After a child is enrolled parents may schedule an appointment to view the school after normal school hours. Email us at [preschool@ilcpuyallup.org](mailto:preschool@ilcpuyallup.org) to request a visit.

## ENROLLMENT

Enrollment for our current school year is ongoing if we have space available. All fees will be prorated at the time of enrollment. You can find registration paperwork or register online at [www.ilcpuyallup.org](http://www.ilcpuyallup.org) under the preschool tab.

We conduct a three phase registration based on a first come first served basis.

- Phase 1: Priority enrollment: Currently enrolled families.
- Phase 2: Active church members and/or ANY preschool alumni . By our definition an alumni family is any family that has been enrolled in our program, regardless of the time between enrolled children.
- Phase 3: New students/families can submit paperwork online anytime after January 15th, however your registration packet will not generate new enrollment status until priority/alumni registration dates have passed and all paperwork/fees are submitted. Watch our website for registration dates.
